

Lenovo ThinkPad E14 GEN 2 *i*

Designed for dynamic work styles and modern business requirements and powered by the latest 11th Gen Intel® Core™ processor for top-of-the-line computing, ThinkPad E14 Gen 2 *i* marries performance with style and substance.

True to the ThinkPad brand, it is built with impressive reliability and robust security features. Modern PC innovations like one-touch power on and logins, Modern Standby, and an IR camera¹ give you intuitive user experience. Whether it is design, performance, security, or collaboration, the ThinkPad E14 Gen2 *i* doesn't leave you wanting.

Smarter

for all

Lenovo

Lenovo ThinkPad E14 GEN 2 *i*

LOOKS GOOD, FEELS BETTER

Work can take you anywhere, and the ThinkPad E14 is made to move—at just 1.5kg, it is light and easy to carry, and at 17.9mm thin, it can fit in your bag when you are on the go. Aluminum top and bottom covers give it a classy look and a nice feel in your hands.

VISUALS THAT SPEAK

Visualize better on an engaging display, with Full-HD resolution and 100% sRGB color gamut¹ that renders crystal clear visuals. Up to 300nits of brightness means you can see your screen even in outdoor environments. The touchscreen¹ display lets you intuitively navigate and interact with your notebook.

SECURE FROM THREATS AND BREACHES

You don't take chances with your security and ThinkPad E14 Gen 2 *i* does not either. A fingerprint reader and IR camera¹ with Windows Hello enable near fool-proof biometric authentication to prevent unauthorized access to your system.

DO MORE WITH SMART FEATURES

AI-based noise cancellation in the embedded microphone enhances meetings. Pick between Private, Shared, or Environmental modes for seamless conferencing in any environment. Dynamic cooling manages the working temperature for optimum performance. And work comfortably for longer with a low blue light mode.

performance

The 11th Gen Intel® Core™ processor provides faster performance to power through tasks, backed by up to 32GB of DDR4 memory and discrete NVIDIA® 450MX graphics.¹

user-experience

Stay productive in Modern Standby mode, get updates, and wake your device with your voice. Smart Power On enables one-touch power on and logins.

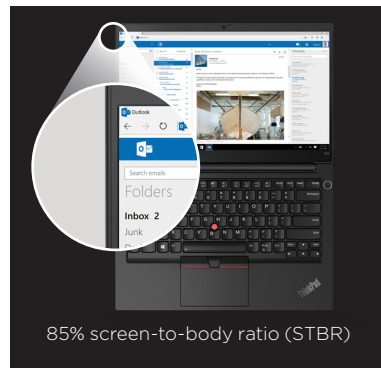

connectivity

Thunderbolt™ 4 is the fastest port and capable of supporting up to two 4K displays. Intel® Wi-Fi 6¹ ensures your internet is stable, rapid, and without latency.

¹Optional

11th Gen Intel® Core™ processors

85% screen-to-body ratio (STBR)

Lay-flat screen

Thunderbolt™ 4, full-function USB Type-C, HDMI, and more

Secure IR camera

optional services

PREMIER SUPPORT

Bypass phone menus and scripted troubleshooting to access advanced-level technicians with the expertise needed to quickly diagnose and solve problems. Get a consistent point of contact within Lenovo to ensure that your case resolution is professionally managed from start to finish.^{3,4}

ACCIDENTAL DAMAGE PROTECTION (ADP)

Protect your investment from operational or structural damage caused by common accidents like drops, spills, or electrical surges. This protection plan helps with predictable budgeting, minimizes unexpected repair costs and provides significant savings relative to the cost of non-covered repairs.^{3,4}

WARRANTY EXTENSION

This fixed-term, fixed-cost service helps you accurately budget for PC expenses, protect your investment, and lower the cost of ownership over time.³

¹Battery life claims are based on results using both MobileMark 2018 benchmark tests.

Actual battery life will vary and depends on usage and configurations.

²Optional

³Up to 5 years total duration

accessories

LENOVO THINKPAD THUNDERBOLT™ 3 DOCK GEN 2

PN: 40AN0135xx

The hub for your PC and peripherals, this docking station provides seamless connectivity and let's you expand your device's capability. Get blazingly-fast file transfers with up to 40Gbps speed. Stream 5K videos or connect to multiple 4K displays for easy multitasking across applications. Get 65W charging and multiple ports for accessories with five USB 3.1 ports, two DP and HDMI port all with a single cable connectivity.

LENOVO PROFESSIONAL WIRELESS KEYBOARD & MOUSE COMBO

PN: 4X30H56796

This combo allows you to connect both keyboard and mouse using only one nano USB wireless receiver. The slim, wireless keyboard has a responsive key feeling, and includes an adjustable tilt leg, numeric keypad, and spill-resistant design. The full-size wireless mouse accommodates left- and right-handed users with ambidextrous five-button design for four-way scrolling.

LENOVO 15.6-INCH COMMUTER BACKPACK PN: 4X40U45347

Sturdy enough for the great outdoors yet stylish for the modern office, this lightweight, weather-proof backpack has the versatility for both workdays and weekends. It keeps your notebook, electronics, and accessories organized and protected in one compartment, while clothes and shoes fit neatly in a separate wet/dry ventilation compartment. A back panel security pocket, trolley strap, and removable shoulder straps round out the features that make this ideal for professionals on the move.
